Strike Out Suicide Bowling Night

OCTOBER 31, 2020

The Kristen Amerson Youth Foundation is a 501(c)(3) nonprofit organization with the mission of promoting healthier lives for youth through providing resources for suicide prevention and preventive educational experiences. The vision of the KAYF is to empower and affect positive change with youth who are enduring personal struggles. It is the purpose of the KAYF to provide suicide prevention awareness, empowerment-coaching, educational outreach, and advocacy services, to children and their families. The organization's goal being to prevent suicide amongst youth.

In February 2017, the Kristen Amerson Youth Foundation began as a dedication to the Executive Director, JacQuan Winters' fallen sister, Kristen Amerson. The Kristen Amerson Youth Foundation carries on her memory and legacy after she struggled with childhood trauma and died by suicide on April 10, 2014. Kristen, a young lady that exhibited strength, love, and care who also loved fashion, dancing, and education, is the lynchpin that the Kristen Amerson Youth Foundation uses to remain steadfast to continue her legacy as they keep her spirit alive and ensure that youth in the city of Tuscaloosa do not share the same fate as Kristen.
